

BTYO3 - The streamflow estimate for Sprague River at Beatty adjusted to river observations
SCNO3 - The streamflow estimate for Sycan River at Beatty adjusted to river observations
CHSO3 - The streamflow estimate for Sprague River at Chiloquin adjusted to river observations
WKA03 - The streamflow estimate for Williamson River at Klamath Agency adjusted to river observations
WMSO3 - The streamflow estimate for Williamson River at Chiloquin adjusted to river observations
KEO03 - The regulated streamflow estimate for Klamath River at Keno adjusted to river observations
BOYO3 - The regulated streamflow estimate for Klamath River blw JC Boyle PP adjusted to river observations
BOYO3L - The ungauged local flow for the BOYO3 watershed not adjusted to observations
IRGC1 - The regulated streamflow estimate for Klamath River at Iron Gate Dam adjusted to river observations
IRGC1L - The ungauged local flow for the IRGC1 watershed not adjusted to observations
YREC1 - The streamflow estimate for Shasta River near Yreka adjusted to river observations
FTJC1 - The streamflow estimate for Scott River near Fort Jones adjusted to river observations
SEIC1 - The regulated streamflow estimate for Klamath River at Seiad adjusted to river observations
SBRC1 - The streamflow estimate for Salmon River at Somes Bar adjusted to river observations
TCCC1 - The streamflow estimate for Trinity River above Coffee Creek adjusted to river observations
HAPC1 - The streamflow estimate for Indian Creek near Happy Camp adjusted to river observations
ONSC1 - The regulated streamflow estimate for Klamath River near Orleans adjusted to river observations
CEGC1 - The inflow estimate for Trinity Lake, adjusted to inflow observations
TRNC1 - The streamflow estimate for Trinity River above North Fork Trinity River adjusted to river observations
TRJC1 - The regulated streamflow estimate for Trinity River at Junction City adjusted to river observations
BURC1 - The regulated streamflow estimate for Trinity River at Burnt Ranch adjusted to river observations
HYMC1 - The streamflow estimate for South Fork Trinity River at Hyampom adjusted to river observations
HOOC1 - The regulated streamflow estimate for Trinity River at Hoopa, adjusted to river observations
KLA03 - The inflow estimate for Upper Klamath Lake adjusted to inflow observations
KEO03L - The ungauged local flow for KLA03 not adjusted to observations
